

## **Swimming New Zealand - High Performance Centres**

### **SNZ HPC History**

#### **National High Performance Centre**

The National High Performance Centre (NHPC) swimming programme commenced in 2002 when the AUT Millennium Institute of Sport & Health (MISH) in conjunction with foundation club North Shore Swimming (NSS), secured dedicated lane space at MISH and one coach to launch the first ever swimming high performance centre in New Zealand. In 2006, Swimming New Zealand (SNZ) became a partner of MISH so that this centre of excellence could continue to develop and grow and further coaches and staff were brought in to support the programme. SNZ now partner with High Performance Sport New Zealand (HPSNZ) to provide a world class specialist high performance environment based at the AUT MISH, Mairangi Bay, Auckland.

#### **Wellington Regional High Performance Centre**

The Wellington Regional High Performance Centre (WRHPC) swimming programme commenced in January 2012. SNZ in partnership with Wellington High Performance Aquatics (WHiPA) and their sponsors, Wellington City Council, Capital Swimming Club and Swimming Wellington established the Regional High Performance Centre in Wellington. The WRHPC is the first in what we envisage will increase to 2-3 regional high performances centres throughout New Zealand in the future.
