4. Nomination Criteria

4.1 **Nomination Criteria:** The Swimming New Zealand Nomination Criteria is made up of two parts:

- (a) the Athlete:
 - (i) is capable of achieving a top 6 placing at the Games in an Individual Event(s); Or (where applicable)
 - (ii) is capable of achieving, or has the potential capability to achieve, a top 16 placing in the 2020 Olympic Games in the Individual Event. For the sake of clarity, this alternate criterion only applies to Individual Events where Swimming NZ considers the level of competitiveness of the expected field of competitors in the Individual Event at the Games is likely to be the same or higher than the level of competitiveness of the expected field of competitors in the same Individual Event at the 2020 Olympic Games and that such disparity would otherwise exclude the Athlete from being nominated for consideration for selection by the NZOC for the Games; or
- (b) The group of Athletes for a Relay Event are capable of achieving a top 3 placing at the Games in the Relay Event(s); and
- (c) has or have a track record of sufficient quality and depth that the selection panel believes demonstrates that the Nominated Athlete(s) or group of Nominated Athlete(s) will be competitive at the Games and will perform creditably in that Individual Event or Relay Event.

4.3 **Evidence:** In determining whether or not an Athlete or Relay Team has met the Over-Riding Criteria for Swimming Events in clause 4.2, the SNZ Selection Panel shall consider in priority order:

- (j) who have recorded a time within the Qualifying Period that is equal to or faster than the 16th best Individual Olympic time (2 per nation) based on the FINA World Rankings as at 8 August 2017 for the date range of 1 January 2017 to 31 July 2017 in the Individual Event the Athlete is seeking nomination for the Games Team (“Individual Top 16 Qualifying Time”).
