## Joint Chair / CE Report

### Our Vision

During early 2009 the board set a vision for SNZ of being “World Class in Every Pool”. This vision encapsulates the picture of where swimming in New Zealand will be. We can see ourselves in that picture and feel what it will be like. Whether it is success on the international podium, in the teaching pool, supporting our coaches and teachers, grassroots participation or as a National Sports Organisation, we will strive to get world class outcomes. At the most fundamental level our purpose is to develop the swimming community in New Zealand, promote our brand, events, swimmers, members and products, govern at best practice standard and lead as the authority and change maker for swimming in New Zealand.

During 2010 all of swimming has worked hard to continue the journey towards achieving the outcomes outlined in our purpose and vision.

### Major Highlight

The major highlight of the year has to be that State Insurance has partnered with SNZ and become our first ever principal sponsor. This sponsorship will assist SNZ to deliver success and build future capability across a broad range of areas that support our key goals.

State Insurance needs no introduction to New Zealanders; They like SNZ, have been involved in NZ communities for over 100 years. There is a lot of synergy between the cultures of SNZ and State and they are already proving to be fantastic partners of our organisation. We are looking forward to working closely with them over the next three years on initiatives which will help grow the profile of our sport and span our entire strategic plan and allow State Insurance to meet their goals from our partnership for the benefit of the community.

### Our other key achievements include:

#### Competitive Success

The year started with top 12 performances from Hayley Palmer and Moss Burmester at the world championships in Rome. We made a number of changes to the Performance and Pathways programme such as the employment of Mark Regan as our new head coach and the introduction of the Australian Coaching Accreditation scheme. These changes will ensure our growth and development towards closing the gap on the world’s best. We have selected a strong team to represent us at the upcoming Commonwealth Games and have three swimmers attending the Youth Olympic Games. A team of

14 is attending the Pan Pacific Games and six the Junior Pan Pacific Games. We hosted a strong team from Australia for the annual Trans Tasman competition – the first time this competition has been held in NZ. The exciting news that the government is investing significant funding into the expansion of the high performance environment at the Millennium Institute will further strengthen our programme in future years.

To deliver a broad programme that consistently provides NZ swimmers and coaches with international podium success.

### Teaching Standards

We have realigned our team to ensure that the priority areas of supporting swim schools, SNZ clubs and primary schools receive the right focus. Our primary schools learn to swim programme has been reviewed and we are ready to release a significantly enhanced programme over the next few months. We are improving our ability to support primary schools through establishing seven new community positions with the full support of a number of new partners. These positions will provide hands on support to schools in the community with a view to working closer with our clubs and supporting better linkages with schools to drive increased interest in young people choosing swimming as their sport.

To develop and govern world class standards of education that support all swim teacher and coach pathways.

### Delivering Valued Services

In 2008 as an outcome of the AGM, we launched an initiative (Project Vanguard) to review the way the entire organisation delivers its products and services to the community. We have begun phase 2 of this project and this will be a major priority for 2011. During phase 1, Project Vanguard has sought feedback from clubs and regions and it is very clear that what we have always done and the way we have done it will not be anywhere near enough to secure a successful future for our clubs and their members. We must change our organisation so that consistency, communication and collaboration are features of the service we provide to all members of our sport. As a forward thinking organisation we cannot continue to ignore the imperative for change.

To continuously deliver valued services to our membership, through the most effective structures.

### Maximise our Profile

Our new partnership with State Insurance will provide SNZ with significant opportunities to maximise its profile over the next three years. During the last financial year, we have made considerable progress towards this goal. Our achievements include:

- the inaugural State sponsored SNZ Awards dinner bringing the swimming community together
- the SNZ Legends Relay which raised over \$40,000 for charity
- the EPIC Lakeswim series which was launched at Lake Taupo and which may be expanded this year to include Lake Pupuke in Auckland
- the naming of our national team: The State AquaBlacks

To boldly promote swimming and our people as vibrant participants in the sports and leisure sector.

### Resource our organisation

During the year we have continued to grow our organisation and our ability to deliver the ambitious goals that we have set ourselves for 2012. We have recorded another strong financial result and the combined efforts of the SNZ Board, its committees, our auditors and the management team have ensured high standards underpin our financial controls and risk assessment processes. We are well positioned for the challenges of 2011. We acknowledge the challenges with finding a new database solution for our sport. This project is vitally important for many valid reasons and whilst it has taken longer than expected we continue to work through the options available to seek a win-win solution.

To lead, develop and sustain people, finance and technology resources sufficient to achieve our vision.

### Summary

In this year's annual report you will read in more detail about the many outstanding achievements that have occurred during 2010. Everyone in the NZ swimming community should have a sense of pride in these achievements. Without the support and passion of you all, swimming in New Zealand would not be progressing as it is. To all our swimmers, parents, coaches, officials and volunteers we thank you for your dedication and commitment and we look forward to working with you all during 2011.

## A word from Principal Sponsor State Insurance

### State partners with Swimming New Zealand and becomes principal sponsor

State Insurance recently announced the biggest sponsorship deal in its one hundred year history of supporting New Zealand communities.

The sponsorship is providing critical resourcing for leading organisations in the swim and swim safety sector responsible for education; Swimming New Zealand, Surf Life Saving New Zealand and the New Zealand Ocean Swim Series.

State's sponsorship of Swimming New Zealand enhances the essential services Swimming New Zealand currently provides and allows Swimming New Zealand to:

- Substantially increase its limited resources to support all primary schools and commercial swim schools in

teaching water safety skills. The goal is to be able to provide every major community in New Zealand with dedicated learn to swim support.

New Zealand has one of the worst annual drowning tolls in the developed world and State wants to change this by helping these organisations continue to teach swim and survival skills so that we can all enjoy the water, safely.

Learning to swim and survive in the water is also essential to enjoying so many other pursuits that we kiwis love such as surfing, fishing and kayaking.

SNZ's Learn to Swim Team teach water safety skills that will keep children safer in the water and ensure recreational swimming and aquatic activities are among their options as they go from paddling pool to podium.

No membership figures are included from Murchison Swimming Club (Nelson/Marlborough region)

Swimming Wairarapa's club swimmer membership numbers include Non-Competitive Swimmers, Administrators, Coaches, Learn to Swim and Technical Officials (no break down available)

Life Members have been included in figures for Administrators

## AUDIT REPORT

### To the Members of Swimming New Zealand Incorporated.

We have audited the financial report on pages 13 to 17. The financial report provides information about the past financial performance of Swimming New Zealand Incorporated and its financial position as at 30 June 2010. This information is stated in accordance with the accounting policies set out on page 16.

### Board's Responsibilities

The Board is responsible for the preparation of the financial report which complies with generally accepted accounting practice in New Zealand and fairly reflects the financial position of Swimming New Zealand Incorporated as at 30 June 2010 and the results of its financial performance for the year ended on that date.

### Auditor's Responsibilities

It is our responsibility to express an independent opinion on the financial report presented by the Board and report our opinion to you.

### Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- The significant estimates and judgements made by the Board in the preparation of the financial report, and
- Whether the accounting policies are appropriate to the circumstances of Swimming New Zealand Incorporated, consistently applied and adequately disclosed.

We conducted our audit in accordance with generally accepted auditing standards in New Zealand. We planned and performed our audit so as to obtain all the information and explanations which we considered necessary in order to provide us with sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming our opinion, we also evaluated the overall adequacy of the presentation of information in the financial report.

Other than in our capacity as auditors, we have no relationship with or interest in Swimming New Zealand Incorporated.

### Unqualified Opinion

We have obtained all the information and explanations we have required.

In our opinion:

- Proper accounting records have been kept by Swimming New Zealand Incorporated as far as appears from our examination of those records; and
- The financial report on pages 13 to 17:
  - complies with generally accepted accounting practice in New Zealand; and
  - fairly reflects the financial position of Swimming New Zealand Incorporated as at 30 June 2010 and the results of its financial performance for the year ended on that date.

Our audit was completed on 12 September 2010 and our unqualified opinion is expressed as at that date.

# Swimming New Zealand Incorporated

## Notes to the Financial Statements

for the year ended 30 June 2010

### 1. STATEMENT OF ACCOUNTING POLICIES

#### Reporting Entity

These are the financial statements of Swimming New Zealand Incorporated (the 'Society'). The Society is an Incorporated Society registered under the Incorporated Societies Act 1908.

The financial statements of the Society have been prepared in accordance with generally accepted accounting principles.

The Society qualifies for differential reporting as it is not publicly accountable and is not large as defined in the Framework for Differential Reporting issued by the New Zealand Institute of Chartered Accountants. The Society has taken advantage of all available differential reporting exemptions.

#### Measurement Base

These financial statements have been prepared on a historical cost basis unless otherwise stated.

#### Specific Accounting Policies

The following specific accounting policies which materially affect the measurement of financial performance and financial position have been applied:

#### Grants Revenue

Grants are included in operating revenue when earned. If particular conditions are attached to a grant that would require it to be repaid if these conditions are not met, then the income received is recorded as a liability under Income Received in Advance to the extent of the conditions not yet met at the reporting date.

#### Accounts Receivable

Accounts Receivable are stated at their estimated realisable value. Bad debts are written off through the Statement of Financial Performance when they are no longer considered recoverable.

#### Fixed Assets & Depreciation

Fixed Assets are recognised at cost less accumulated depreciation. Gains and losses on disposal of fixed assets are taken into account in determining the operating result for the year.

The rates of depreciation used are as follows:

	Rate	Method
Furniture & Fittings	12.0% - 25.0%	Diminishing Value
Office Equipment	14.4% - 60.0%	Diminishing Value

#### Goods & Services Tax (GST)

The Statement of Financial Performance has been prepared so that all components of income and expenses are stated exclusive of GST. All items in the Statement of Financial Position are stated net of GST, with the exception of Accounts Receivable and Accounts Payable, which include GST where invoiced.

#### Stock on Hand

Stock on Hand are stated at the lower of cost and net realisable value. Cost is determined using the first-in, first-out (FIFO) method.

#### Income Tax

The Society is approved as an amateur sports promoter and is therefore exempt from income tax under the Section CW46 of the Income Tax Act 2007.

#### Employee Entitlements

Provision is made in respect of the Society's liability for holiday pay owing as at the reporting date. The holiday pay liability has been calculated on an actual leave entitlement basis at current rates of pay.

#### Comparative Figures

The comparative figures in the financial statements related to a period of twelve months. Where appropriate, the comparative figures have been restated in order to conform with this year's presentation.

#### Changes in Accounting Policies

There have been no changes in accounting policies during the year. All policies have been applied on bases consistent with those used in previous years.

**2. SPARC GRANT FUNDING**

	2010 \$	2009 \$
General	35,509	46,851
High Performance	1,619,085	1,506,233

## High Performance Centre

**12** swimmers qualify for Commonwealth Games including three relay teams (men's relay to gain status at Pan Pacs)

**14** swimmers to Pan Pacs

**3** swimmers to Youth Olympic Games

**6** swimmers to Junior Pan Pacs

### High Performance

- SNZ hires new head coach Mark Regan through to end 2012 to accelerate results
- SPARC review confirms ongoing support through to London 2012
- New Zealand swimming team named AQUABLACKS
- National event camps led by Mark Regan commenced targeting Butterfly and Breaststroke: 20 swimmers with 9 coaches attended
- National Testing programme gets underway
- ITC renamed SNZ High Performance Centre at MISH in response to new government funding initiatives. HC Mark

Regan reiterates the concept of the HPC being for those swimmers who need a performance environment which is not possible at home base and who will retain their club memberships and continue to represent their home clubs

- New agreement reached with MISH, North Shore Swimming and SNZ regarding performance centre lane space to facilitate high performance growth
- NZAS appoints Andy Barnett (formerly USA) as new strength coach for swimming
- Scott Talbot accepts new position at SNZ
- FINA bans rubber suits in 2010

### Open Water

- Alannah Jury finished 13th in the 10km 2009 FINA World Open Water Championships in Italy
- NZ Open Water Championships at Lake Taupo held in conjunction with SNZs inaugural recreational event, the Epic Swim Festival, as well as the NZ Masters Open Water Championships
- An increase in competitors in the NZ Open Water Championships of more than 300%, including the participation of a number of top class Australian open water swimmers
- Partnered the Sovereign Ocean Swim Series

- North Shore Swimming Club retained the Sovereign Ocean Swim Series SNZ Top Club points award
- Cara Baker qualifies for World Open Water Championships in Canada

#### Coaching development

- Swimming New Zealand, in collaboration with NZSCAT formed a partnership with the Australian Swim Coaches and Teachers Association (ASCTA) to allow the primary coach accreditation scheme currently delivered in Australia to be also delivered in New Zealand

#### Youth and Age Group

- Strong Oceania team very successful in Samoa including national records in the 100m and 200m backstroke and 50m butterfly to Sophia Batchelor
- Agreement made with Australia to hold the Trans-Tasman every two years, with every third competition to be held in New Zealand
- Youth and age camps successful in development of culture going forward with leadership by Trevor Nicholls

#### Bouquets

- HPC coaches Scott Talbot and Thomas Ansorg honoured as NZSCAT coaches of the year
- Scott honoured as inaugural SNZ coach of the year
- Congratulations to sports' scientists Tom Vandenberg and Antonio Cala on gaining their PhDs

- SPARC Coach Accelerator Scholarship to Scott Talbot for ongoing professional development acceleration – a partnership with SNZ at the HPC
- PM scholars' presentations well represented by swimming

#### Development

- South Island initiative with mentor coach Don Talbot completed one year full time and is now proposed as quarterly intervention and support. Don is now based in Queensland
- Philip Rush used PM scholarship to attend World Open Water Congress
- Trevor Nicholls used PM Scholarship to attend Australian Youth Camp at AIS bringing back fresh ideas for the youth and age group programme
- SNZ NZAS Sports Scientists' Tom Vandenberg and Antonio Cala used PM Scholarships to attend international sports science congress in Norway with further gains by Antonio in Spain
- Twelve swimmers participated in SNZs inaugural Outward Bound programme which will continue annually to assist with the development of life skills for our swimmers

Middle Row - National Heart Foundation of New Zealand, Organ Donation NZ, New Zealand Swimming Turst  
Bottom Row - Diabetes New Zealand, Stroke Foundation of New Zealand, SNZ Chief Executive Mike Byrne with Minister of Sport Murray McCully

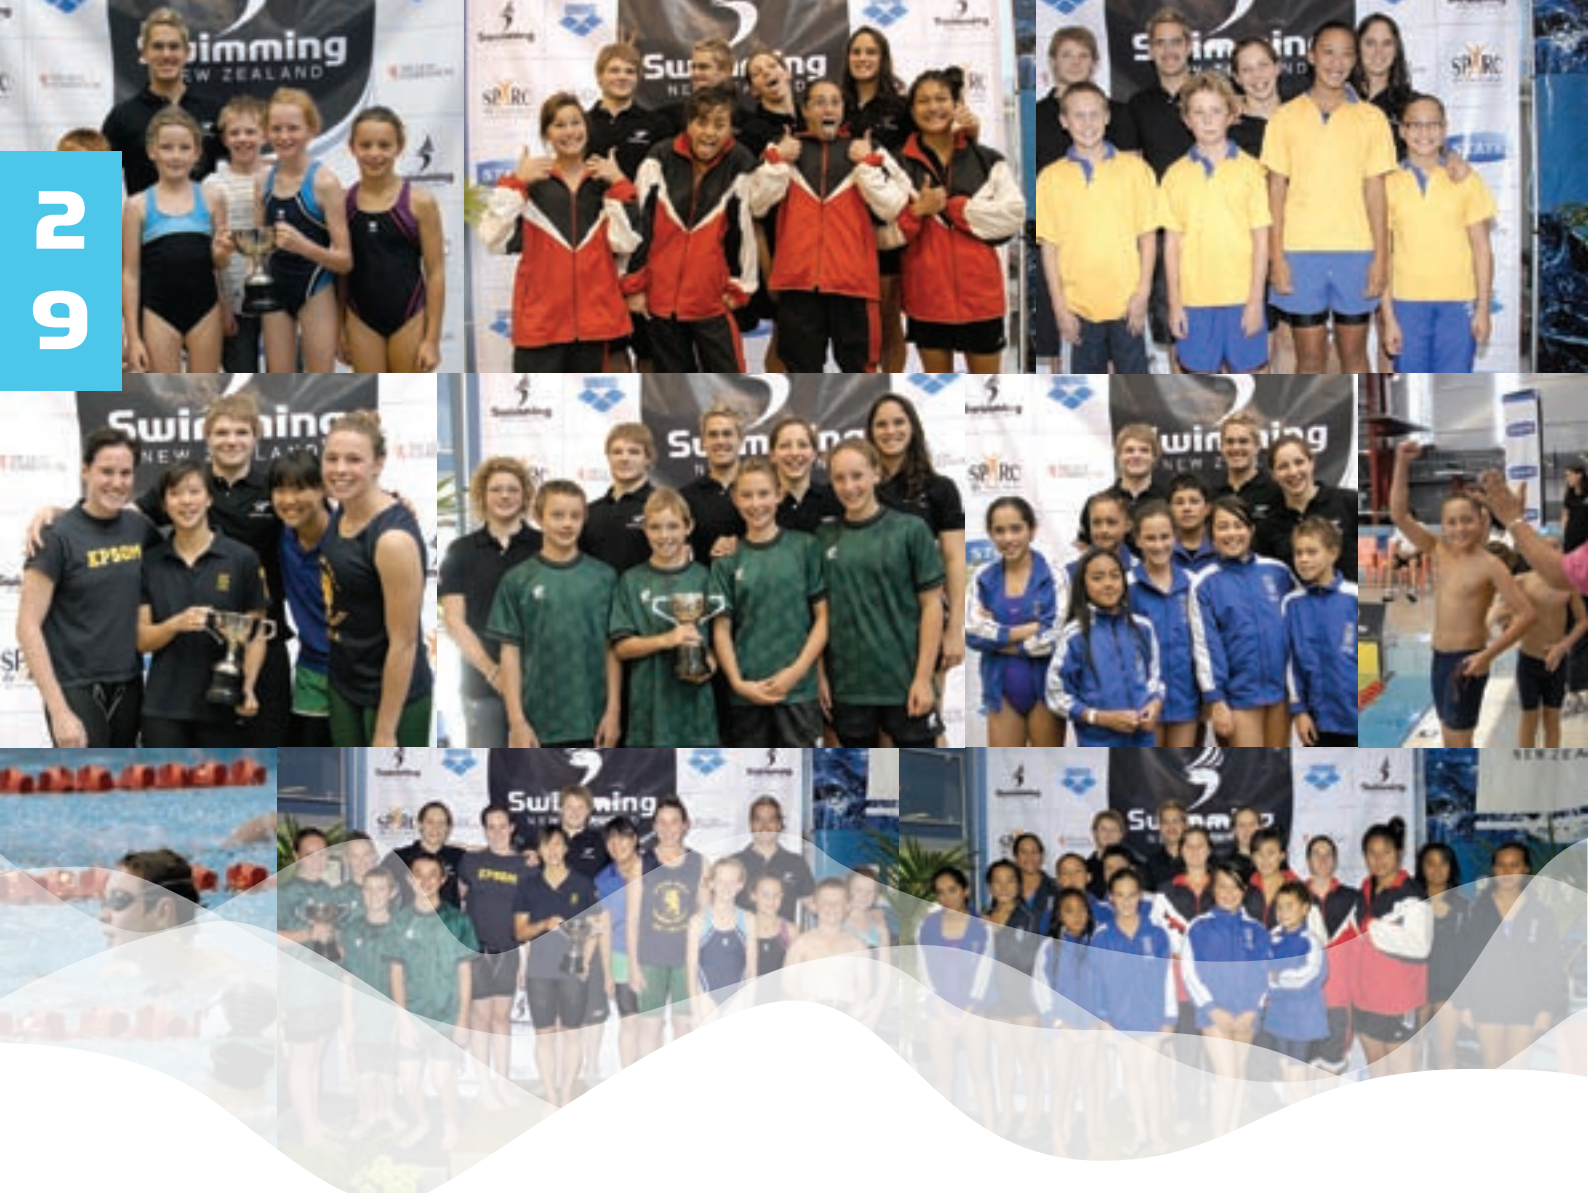

Forty eight past New Zealand representative swimmers swam together, and against each other, for the first time

These swimmers and their family, friends and supporters raised over \$42,000 for eight New Zealand charities

- Captains for the relay teams were Gary Hurring (Diabetes NZ), Toni Jeffs (NZ Swimming Trust), Paul Kingsman (Organ Donation NZ), Danyon Loader (Asthma Foundation), Rebecca Perrott (Stroke Foundation of NZ), Anna Simcic-Forrest (Heart Foundation of NZ), and Mark Treffers (Arthritis NZ)
- The winning relay team was Arthritis New Zealand and they also raised the most money for their charity – over \$9,000 for Arthritis NZ

Images: Top Left in order - The top three teams who raised the most for charity in order of their fundraising success  
 Bottom Left - Legends relay winners with their winning cup  
 Bottom Right - Arthritis NZ staff join their team holding their winner's cup and cheque for raising the most money

## Schools Relays

Thanks to all schools who participated and thanks to the kids and their parents! It was fantastic to share such a great event with you.

Swimming New Zealand held a schools' competition for the first time as part of its week-long festival of swimming during State Insurance New Zealand Open Championships week 5-10 April 2010. The winning schools were Cockle Bay Primary, Glen Eden Gladiators (intermediate) and Epsom Girls Grammar (Secondary). Also taking part were teams from the East Coast including Ruatoria and Gisborne Girls High – awesome to have you there.

## Skins Competition

SNZ held a Skins competition on Saturday 10 April, after the New Zealand Open Championships

Daniel Bell (pictured) after winning the 50m backstroke

Congratulations to the other Skins winners:  
Sophia Batchelor  
Becky Dooley  
Carl O'Donnell  
Hayley Palmer  
Glenn Snyders  
Emily Thomas  
Matt Thomas

## SNZ History

### Did you know:

SNZs AGM this September will be its 120th making swimming one of the oldest sports in New Zealand

In 1961 Officials' examinations were introduced

In 1920 New Zealand competed at the Olympic Games for the first time as a separate country

The 1952 Helsinki Olympic Games team was the first team to fly to a Games

Swimming New Zealand held its first recreational swimming event in 2010, EPIC Swim, at Lake Taupo
