<b>About Ebony</b>	
<b>Greatest achievement in swimming:</b>  My greatest achievement in swimming would have to be when I received two gold medals and a bronze medal at the New Zealand National Age Group Champs 2014, gold in the 100m back and 200m back, and the bronze in the 50m free.	
<b>Major goals for the next 2 years:</b>  A few major goals for me over the next few years would have to be wanting to swim under the 1.03 for the 100m back long course, I really want to get stuck into swimming and do everything I can both in and out of the pool to improve my performances, and by doing that it will increase my opportunity to qualify for some of the big comps coming up.	
<b>Interests:</b>  I really enjoy being in the outdoors, doing things like going to the beach, exploring new places, hunting and fishing. I love spending time with my family and friends.	
<b>School/University/subjects/company/position?</b>  I'm currently studying at CPIT in Christchurch, doing a degree in Sustainability and Outdoor Education.

### **What New Zealander inspires you the most & why?**

Lauren Boyle inspires me although I have never talked to her before she just seems like such a lovely, down to earth person. She is such a committed and determined woman who works so hard at what she does. The qualities she has makes her different from some of the other swimmers in New Zealand which is quite influential and why I find her inspiring
