About	
Greatest achievement in swimming: Qualifying and swimming for NZ in the 2016 Australian State Teams Competition.	
Major goals for the next 2 years: Qualify for the American Division 1 college championships, improve my times further and get onto more NZ teams.	
What is your pre-race ritual? Just focussing, staying alert and getting hyped for my race.	
If you could only eat one thing for the rest of your life what would it be? Chinese Food.	
Who or what inspires you and why? Self-motivation drives me out of bed to training in the morning, and my own expectations alongside my coach push me harder in training.
