### 5

After clicking Add Team, the following page will appear. It will show you swimmers that can be selected for the relay team. You can then sort this by the fastest swimmer by clicking on the "Best Time" Heading. Enter the swimmers into the team by typing their names into the "Competitors" box. Once you have added all the swimmers you want click on "Check Competitors" and this will calculate the seed time. If you are happy with this click "Save Team".
